Best Regards from KammavarUSA eMag-Editorial Board & Local Chapter Volunteers

Dear Brothers and Sisters,

We hope you all had a wonderful summer vacation and we are sure kids enjoyed the long break from schools / colleges. We would like to share and request your help for the launch of our new quarterly digital magazine, KammavarUSA eMag.

We formed our organization November last year and we have grown to 518 members in portal and 1200+ members in FB. Our community members have had fun get together parties in various regions, have been scaling new heights in their careers and life and our kids have accomplished quite a bit in various domains and some are transitioning from high school to exciting college life. But most of us don't hear about those stories.

KammavarUSA eMag will serve as a modern platform for our kids and families to connect, explore and share their experiences with a hope that other members will benefit from those experiences.

KammavarUSA eMag initial version will include major topics, indicated below, and first issue will reach you in Oct 2017.

- | | |
|-----------------------|-----------------------|
| 1. Youth Achievements | 2. Local Chapter news |
| 3. Higher Education | 4. Employment |
